37\_2026\_Removal of Instrument Expiration Date from Packing List

Dear customers,

We hereby inform you about a documentation update affecting the packing list supplied with our products.

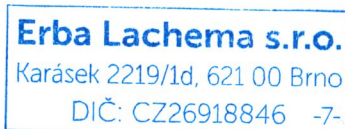

The instrument expiration date previously shown on the packing list was intended exclusively for internal purposes. To ensure consistency between product documentation and product labelling and to avoid potential confusion, instrument expiration dates will no longer be included on packing lists.

This change will be effective from 21 October 2026.

In case you have any additional question, please do not hesitate to contact us.

Best regards,

Erba Lachema s.r.o.
